Biography/Expertise

Andreas Braun is a dispute resolution lawyer and as such specialized in resolving legal disputes. He advises and represents Swiss and international individuals and companies before all Swiss courts and authorities in a wide range of matters. His practice focuses on contract law (rental law, employment law, general contract law) as well as tort law and debt collection and bankruptcy law.

Furthermore, Andreas Braun advises and represents individuals and companies in criminal law and criminal procedural law as a criminal defense attorney.

His background gives Andreas Braun particular experience in lease and rental matters as well as civil and criminal litigation and bankruptcy law. Prior to working as a self-employed attorney at law, Andreas Braun gained experience in various leading Swiss law firms, where he advised clients in national and international disputes in the areas of lease and rental law, employment law, contract law, civil procedural law, debt enforcement and bankruptcy law as well as criminal law and represented clients in these matters before courts. Andreas Braun also worked at the District Court of Zurich, most recently as a permanent chairman of the conciliation authority dealing with lease and rental matters.
